Niles West High School wishes to invite you to attend **Curriculum and Activities Night on Tuesday, January 22nd.** The purpose of this evening is to introduce students and parents to academic and extracurricular opportunities. More importantly, you will be in direct contact with administrators, teachers, coaches, and students. Please allow enough time for parking and to pick up your informational student packet in the auditorium lobby. Auditorium doors will open at **5:15PM**. The program will begin at 6:00 p.m. in the Niles West auditorium.

In the packet, you will receive important incoming freshman information including:

- PSAT-8 scores
- Date / time of registration appointment with school counselor

The evening will begin in the Niles West Auditorium with a welcome by our Principal, Dr. Jason Ness. I will provide a few details about the contents in your packets, e.g. PSAT-8, appointments with counselors and medical forms. Additional information and resources will be available throughout the evening to help your child prepare for a successful transition to high school.

We look forward to meeting with you and your child on Tuesday, January 22, 2019 at 5:15 p.m. Please feel free to call my secretary, Susan Johnson, if you have questions at 847-626-2931.
