### PBIS Update

We love celebrating and recognizing students' respectful, responsible and safe behaviors. Students are recognized for these behaviors instantaneously by staff with PAWs which are exchanged for tangible rewards in the PAW house (K-5th grade) or the SWAP Shop (6-8th grade) every Friday morning. Additionally, students are recognized for their positive, respectful and responsible behavior through Positive Office Referrals. Here are a few pictures of our weekly celebration.

## **5Essentials**

The Illinois 5Essentials Survey is a tool that measures five key areas linked to student success: effective leadership, collaborative teachers, involved families, supportive environments, and ambitious instruction. By taking the survey, our school can gain valuable insights into our school's strengths and weaknesses in these areas. It will also help us develop targeted strategies to create a more positive learning environment for all students.

The survey is now open and will close on Friday, March 29th.

We're excited to launch ParentSquare and hope you'll be early adopters!

## **Absence Reporting and Tardiness**

As a reminder, if you need to report a student absence, please call our attendance line at 847-966-9280 ext 1118. As a matter of safety, please notify the school of absences in advance of the school day. If a student is absent and we are not aware of the reason

for the absence, our school nurse, Mrs. Morrissey, will be contacting the parent(s) and/or guardian(s).

Additionally, please make every attempt to have your child to school on time. Student late arrivals to the classroom are disruptive and delays the educational process. We appreciate your cooperation in this matter.
