THE WORLD NEEDS MORE

DISCOVER ND

WEDNESDAY, NOVEMBER 8

Session #1 - Academic Tracks: 5 - 6 p.m.

Session #2 - Getting Involved at NDCP: 6 - 7 p.m.

We cannot wait to welcome you and your family to Notre Dame and show you all the great opportunities that await your future Don here! We know you'll feel the strong sense of community and brotherhood as soon as you walk through the doors.

During the Academic Tracks session, you will learn about academics at Notre Dame College Prep, as well as our unique school-day schedule. Hear about our four diverse tracks, as well as hear from program directors and students/parents.

In the Getting Involved at NDCP session, you can learn about the multitude of ways to get involved at ND. Being a Don means making the most of your four years through being a part of various organizations such as sports, clubs, fine arts, and service.

This is your home away from home!

****This event is only open to 8th graders and their families.***
