SCHOLASTIC BOOK FAIR - SAVE THE DATE

CULVER FAMILIES, The **Scholastic Book Fair** is coming our way! Choosing their own books empowers kids and inspires them to become bolder, prouder, and stronger readers! AND, as always, every book they buy earns rewards for our school.

WHEN: April 22nd - April 26th

1st through 8th grade will be able to browse the shop Tuesday, April 23rd and make purchases Wednesday and Thursday. All families are welcome to the book fair in the media center, Friday, April 26th from 3:15-6:00 pm, during our Spring Carnival.

If you don't want to send cash with your child, there is an eWallet option, where payment can be taken digitally. Before the fair, set up eWallet and anyone can contribute to it. Share it with friends and family so they can add funds and give your kids more books to enjoy!

If you can't make it to the fair, then shop at our school's **Online Book Fair**. All orders ship directly to your home, and shipping is free for book orders over \$25. Your online orders will also benefit our school.

Visit our Book Fair homepage to learn more and get started with eWallet and online shopping.

Is your child a full-time ARTIST?

Does your child make artwork at home and/or outside of school?

Please add their original artwork to their digital art portfolio on ARTSONIA.

Capture photos of 2D and 3D art of all kinds and upload the images to the "Independent Work" project page.

We would LOVE to see what they are working on!

STUDENT DIGITAL ART GALLERY - DOWNLOAD THE APP!

Dear Culver families,

The Art Department loves to celebrate the accomplishments of District 71's artists! While in Art Class with Ms. Lurie, students upload images of their artwork to our school's digital art gallery on **artsonia**. We encourage parent participation and hope you will take a moment to download the app!

WHY USE THE ARTSONIA APP?

- Keep a digital record of your child's art
 - Share with family members
 - Encourage art making at home
 - Fundraising (optional!): order keepsakes made with your child's artwork.
- The Culver Art Department earns 20% on promotional sales to use towards art materials, technology and other classroom supplies.

HOW DO I SIGN UP?

- The easiest way to add student work to your child's digital art portfolio is to create an account using Artsonia's free app, **Artsonia 6**.
<https://www.artsonia.com/apps/>
- Alternatively, from your child's chromebook or compatible device, you can login to the **class portal** [artsonia.com/class](https://www.artsonia.com/class) and upload artwork using our school access code: **SZKF-BBMD**, or scan the **QR Code** below.

HOW CAN STUDENTS UPLOAD INDEPENDENT WORK?

- On the app, find the project page entitled **Independent Work**
- Check out this helpful video tutorial for students
<https://www.artsonia.com/teachers/docs/videos.asp?id=ClassPortal-Students>
- Please visit <https://www.artsonia.com/parents/> to learn more about the fun ways you can document, share and enjoy your child's artwork for years to come.

If you have any questions please contact the Art Department.
