Culver School was awarded a grant from the Illinois State Board of Education to implement a Preschool For All program. As a result, preschool is free of charge!

Preschool students must reside within Niles Elementary School District 71 boundaries.

Preschool For All

The PFA Program has a combination of general education and special education students who are taught by a licensed early childhood teacher who is endorsed to teach general education, special education and English learners. A teaching assistant also supports the students in the preschool classroom.

How to Apply

1. Complete the Culver Preschool Application beginning Feb. 1st at http://www.niles71.org/parents/preschool.
2. Complete and submit the screening forms and Preschool For All Parent Form that will be emailed to you after completion of the Culver Preschool Application by deadline.

What to Expect

- Acceptance into the PFA Program is based on a variety of factors that include, but are not limited to, at-risk factors, disability status and developmental readiness.
- All applicants will be notified by email as to whether the child is admitted to the program by Friday, April 26, 2024.
- Residency must be proven for those children accepted to the program or your child's placement will be forfeited.
- Children who are not admitted to the program will be added to the waitlist. The waitlist is sorted by eligibility criteria, so applicants do not have numbers.
